LARGEST GROUND FLOOR DRY GOODS STORE
IN THE STATE.

DONEGAL SUITINGS

Are a moderately heavy canvas-like fabric of linen. They have enough crispness and body to set well, but being loosely woven, insure comfortable hot weather dresses. The color-range is not large, but it is decidedly effective, each piece consisting of a blend of two colors. They need no lining, wash beautifully and are undoubtedly the hit of the season.

Sell at 25c a yard.

BIG DOTS

Show up prominently in the new goods of a miscellaneous character, received yesterday. Dots in Lawns, in Prints, in Percalines, in Waists, etc. Three new lines of WAISTS, among them a pure white one with detachable collars and cuffs of solid Pink, Blue, Buff or Green. Our Waist stock is at its best. Our finer ones at decided reductions. Any solid color in Percalene you may want is here. Also a splendid line of light and dark fancies.

NEW CANVAS TAMS

Again received in Tan, Navy and White. Two detachable bands in each to permit of easy washing. See the new Wash Dress Goods in big window.

PIANOS—F. W. BAUMER CO.

Cost More....

AND ARE

Worth More.

The Steinway Piano costs more to build, hence costs more to buy, than any other piano made, but it is worth more. No expense is spared in its making and no question has ever been raised regarding its durability. Its tone is the artist's ideal, and its increased cost is forgotten in the satisfaction it gives all owners.

Extensive alterations are being made to the residence of Henry Johnston, South Jacob street.

At St. Matthew's P. E. church there will be regular services on Sunday at 10:30 a. m. and 7:30 p. m. Doctor Pierce, president of Kenyon college at Gambier, Ohio, will officiate at both services.

The Valley school, out Caldwell's run, picnicked yesterday at Smith's grove. A large crowd of pupils and their parents, with the necessary baskets, were on hand, and the day was enjoyably spent.

Good headway is being made by the LaBelle iron works' force of men engaged in building the retaining wall along Caldwell's run, and in general making Twenty-ninth street a good thoroughfare.

On Sunday at the Fourth Street M. E. church, the pastor, Dr. L. L. Sooy, will preach at 10:30 a. m. and 7:46 p. m. Morning subject: "Elijah's Despondency." Evening: "The Debt Due our Country's Heroes."

Rev. Dr. A. Cunningham will give an address to men at the Young Men's Christian Association building Sunday afternoon at 4 o'clock. The association quartette will sing, and invitation is extended to all young men.

A large and appreciative audience gathered in Zane Street M. E. church last night and was delightfully entertained by the lecture, "The Freerger, and Who Turns the Crank," delivered by the pastor, Rev. B. B. Evans.

This evening at the Bi-metallic club, Mr. H. D. Rucker, of Indianapolis, Ind., will make an address. Mr. Rucker has attained considerable note as an orator. During the late campaign he did work on the stump in the south and west. He is prominent also in Pythian circles.

Mozart Park has special events for the Decoration Day season; to-day the North End Literary Society will hold its picnic; to-morrow the usual sacred concert by Meister's band with a special prepared programme will occur and Monday the Mozart Singing Society's May Festival takes place.

NEW SIR KNIGHTS.

Coeur de Leon Co., K. of P., Initiated Ten Candidates Last Night.

Last night a notable event occurred in Pythian circles and it was one which will be remembered with pleasure by all who were fortunate enough to be present at the "doings."

Ten members of the order were made Sir Knights, taking the degree in Coeur de Leon Company No. 1, at Pythian Castle. Almost every member of the company was present in full uniform and the initiation was most beautiful to behold. The Sir Knights who took the degree were Messrs. David White, William J. McNabb, Paul C. Falek, Richard H. McClure, W. W. Vardy, Gustave H. Medick, Frank Cunningham, Charles J. Barber and A. W. Rader.

After the meeting a banquet was held in the rooms below and a good time was had by the Sir Knights. Sir Knight Captain Charles H. Geiger acted as master of ceremonies and addresses were made by Major James H. Lancaster and other prominent members of the Uniform Rank.

Coeur de Leon Company is enjoying a genuine boom and along with the ten initiations last night, twelve applications for the degree were received and acted upon.

Elig's New Building.

Bids will close to-day for the new building of the Charles J. Elig Carriage Company. This building will adjoin the company's present building on North Market street, and will be one of the handsomest business structures in that part of the city.

The plans were drawn up by Architect Forney, and call for a six-story brick building, 35x50 feet. The front will be of buff pressed brick, with Cleveland stone trimmings. It will be a modern design throughout, have metal ceilings, and the offices finished in hard wood.

The larger part of the building will be used as a carriage repository, and given up to the displays of finished carriages, but one or two floors may be used as adjuncts to the present factory. It will illustrate the growth of one of Wheeling's industries, and during its construction give employment to a large number of men.

OPENING

Of the French Dyeing and Cleaning Works.

Charles Neuman, proprietor of the Leading French Dyeing and Dry Cleaning works, who has been so long located at No. 1429 Market street, will open on Monday, in the building especially fitted up for him, at No. 1043 Main street, formerly occupied by J. T. Stone, as a shoe house. He has every facility for making old clothes as good as new, at a small cost. He executes work which heretofore could only be obtained in eastern cities, thus saving expenses charges. He has added new machinery for the dry cleaning of lace and Portiere Curtains, and Rugs and Piano Covers are cleaned under a new process. He employs master workmen, and guarantees all his work to give satisfaction in every respect. His fine decorated wagon calls for and delivers goods to any part of the city.

Mr. Neuman has made rapid strides in his line of business, and is gaining a reputation for the excellence of his work. Lace Curtains can be cleaned without a scratch or any mark whatever, while the scalloped remain the same as when new. Orders by mail will receive prompt attention. Telephone 83.

A BOTTLE of Dr. Wood's Norway Pine Syrup in the house saves doctors' bills, saves trouble, and very often saves precious lives. Gives almost instant relief in cases of coughs, colds, or lung troubles of any sort.

FLOWERS.

Why pay 35 and 50c for Carnations when you can buy the most fragrant flower grown, the Cape Jasmine, for 35c per dozen, at LAUPP'S, 1347 Market Street.

UNCONDITIONAL surrender, is the only terms those famous little pills known as DeWitt's Little Early Risers will make with constipation, sick headache and stomach troubles. Charles R. Goetz, corner Market and Twelfth streets; Bowls & Co., Bridgeport; Peabody & Son, Benwood.

+ "SECOND SIGHT." +

When you feel you have tried everything and everyone, consult a clairvoyant. It is the surprise shown by benefited patients at our office.

Do you have headaches? Do your eyes water? Do they burn or smart? Does print run together when reading? Feel as if you were before the eyes? Do things appear double or mixed up? Have a desire to rub the eyes, twitching? Do you have weak eyes? Does the light pain them? For any trouble of your eyes consult us. During this month we devote much time to children's eyes. We make glasses at popular prices (one reason of our popularity)—make a careful examination free of charge. The best interest of our success is the number of recommendations from our old patients.
